The goal of the day is to have fun improving our Greenland paddling and rolling techniques. Paddlers who are interested in testing their rolling skills may enter the judged Greenland rolling competition. All are interested in sharing our skills and getting to know other Greenland paddlers.

Novices to advanced paddlers are welcome. Lake Champlain water temperature will be in low 40's so we ask those who do not have a reliable roll to wear dry suits and PFD's. We will have warm beverages and warming/changing rooms at the boathouse.

We hope to have hosts for our out of town paddlers on a first come first serve basis. We will also have motel/hotel information available on our web page.

Lake Champlain spring paddling is lots of fun as we are the only ones on the Lake. We welcome out of town paddlers to stay to paddle on SUNDAY, APRIL 15 to join with the LAKE CHAMPLAIN FROSTBITERS for a beautiful paddle.
